CCIPS who is still being used in Baltimore. If someone is arrested CCIPS is used illegally against all their family, friends, and associates, together information against the defendant and if anything is found they claim an anonymous source or someone ratted out someone else. [↗](#)

I have now had it confirmed that the CCIPS system has been used by bad actors against Kim Klacik, her staff, friends, family, associates, and those supporting her campaign.

Information obtained illegally in this manner has been handed over to associates of her opponent.

They were looking for any negative information of course but specifically information they could use against her in any debate.

I don't know Mr. Ulbricht, I don't know if he should have a full pardon, but I do know that he should have a very serious review of his entire case with at least a commutation of sentence. Mr. Ulbricht's case was irretrievably damaged beyond any point where it could be

In the civil case same judge same opposing counsel BT

The "intelligence community" has been using Dominion, Scorecard, etc. And companies (fronts) like SCYTL for Years to manipulate ELECTIONS overseas, and to various levels here in the U.S. since at least 2006. ALL Approved through the FISA court.

I wonder if anyone has connected that "Chief" Justice Roberts has been "Approving" this type of Election interference personally since then? But I'm SURE he knew nothing about the election fraud using these "Exact Same
