Hmmm.. I just heard something interesting.

The much touted "vaccine" is 99%

Non-existent. It's a Huge money grab and a way to make President Trump (Warp speed) look like a failure. 🤔

The major vaccine producers, being manipulated by the DS Dems, produced an inadequate and "dirty"

Vaccine. This was so samples could be given for testing. After billions and billions of dollars were shoved at them, they grabbed every single dollar they could, and produced garbage to make it look legitimate.

Their plan was after they received all that money, covid 2.0

Would be introduced making the original vaccine obsolete. Buried within all their agreements and legal paperwork they are completely indemnified, and this is listed in the paperwork. They cannot be held liable for any damage caused by their vaccine, and they're vaccine only

Applies to the original strain. Pretty soon everyone will start asking about the vaccine for covid 2.0. (with new hysteria and lockdowns I'm sure) forgetting all the money that went into the original.

Lather, rinse, repeat.

**\*\*Public Proclamation\*\*** Matt Couch, You Will, as of right now "cease and desist" any and all public or private attacks on my person or integrity. Any further attacks and I will meet you in court.

Threats? I didn't threaten anyone, I merely gave notice. Threats are what you were facing for sticking your nose where it didn't belong. Threats that I stopped at great risk to myself and my family, your welcome, even though you never said thank you.

I don't know Mr. Ulbricht, I don't know if he should have a full pardon, but I do know that he should have a very serious review of his entire case with at least a commutation of sentence. Mr. Ulbricht's case was irretrievably damaged beyond any point where it could be

Prosecuted legitimately by the involvement of Shaun wesley Bridges, Carl Mark Force, and the do-j's "dirty trick Squad". Bridges had been using the silk road to launder illegally seized and obtained money for a long time prior to Mr

I was informed today by people within the d-o/j framework, that once they are in control again, in one week, that they will begin making examples of the people who spoke against them, and I'm at the top of their list, my wife and I. They made it clear the "mistakes of the past"

Would not be repeated, I.e, leaving me alive to expose them like they did the last time. I am certainly not the only one they will be coming after with false prosecution. Do you want to remove any threat to their power and exposure of their

The civil case was away for me to document what they were doing and get things on the record. RR DOJ/FBI, had wired the attorney client Booth so they could hear everything. Illegal surveillance just like they were doing to everyone else.

James Bredar, the exact same judge in my criminal case, this civil case, and the case against the BGF gang, ruled on all three cases. JUDGE BREDAR acknowledged in my criminal case that illegal surveillance was rampant, and sealed it.

I wonder if anyone has connected that "Chief" Justice Roberts has been "Approving" this type of Election interference personally since then? But I'm SURE he knew nothing about the election fraud using these "Exact Same
