This latest insult, otherwise known as the "covid stimulus plan".
 \$600 for US citizens, much much more for illegal aliens. Billion after billion after billion for pet projects and countries overseas.
 I notice that the "covid money"
 Going overseas is "NOT FOR ANYTHING"

COVID RELATED"

For many years politicians have been handing out our tax dollars. Given to institutions for "endowment building", disguised as programs. Of course they get a percentage.

Billions sent overseas into countries. Do you think it disappears? No it doesn't.

It's transferred just like when you make a deposit at the bank. Transfer it into an account that they control or have access to. Or it's transferred into a government account (in that country)

That happens to be managed by a bank around the world probably in Europe, where that politician happens to have an account. Let's say you transfer one billion dollars to South Africa. Great, goes into a bank there which is actually a branch of a large European Bank

And that money sits there "Until Expended", as it is written in the stimulus.

Well let's not forget about the interest. Or what politicians call free money. They want their cut, but they also put stipulations on that money that only a certain percentage can be paid out or taken

Out of the account at a certain time, say 10% a month. 100 million dollars. This ensures that the remaining bulk of the principal generates interest, a lot of interest!

And that interest goes right into the accounts of the people who arranged for this. We have to pay taxes if we

Have an interest bearing account, with all kinds of penalties if we do an early withdrawal

But they send trillions of Dollars around the planet, take their percentage and the interest tax-free and under the radar.

\$600 is a slap in the face. It shows exactly what they think of us how pathetically small we really are to them. They don't have to buy any more votes or pay for fraud. So they're just taking all of it. They do this with every bill, every program.

And that's just one of the ways.

We are supposed to do what we're told. Shut up, lock down, work when, where, and how, They tell us, so we can pay those taxes, so they can send it off around the world for the next crisis, bill, program, and get their cut again.

Which brings me to the point of this little rant. The election was riddled with fraud, President Trump clearly won, but there have been an awful lot of RINO's, and others, popping out of the woodwork, to us it seems they all got their talking points at once.

RINO's all of a sudden popping up, trying to get the president to concede, and out of the blue a stimulus is passed 10 months after it was needed?

Sounds like everyone worked out their own piece in the stimulus plan, came out publicly against the president to lock in the deal, the stimulus is sent to the president, and everyone's just waiting for their payoff.

Follow that money right back to the RINO's. 🙏🙏🙏

****Public Proclamation**** Matt Couch, You Will, as of right now "cease and desist" any and all public or private attacks on my person or integrity. Any further attacks and I will meet you in court.

Threats? I didn't threaten anyone, I merely gave notice. Threats are what you were facing for sticking your nose where it didn't belong. Threats that I stopped at great risk to myself and my family, your welcome, even though you never said thank you.

I don't know Mr. Ulbricht, I don't know if he should have a full pardon, but I do know that he should have a very serious review of his entire case with at least a commutation of sentence. Mr. Ulbricht's case was irretrievably damaged beyond any point where it could be

Prosecuted legitimately by the involvement of Shaun wesley Bridges, Carl Mark Force, and the do-j's "dirty trick Squad". Bridges had been using the silk road to launder illegally seized and obtained money for a long time prior to Mr

I was informed today by people within the d-o/j framework, that once they are in control again, in one week, that they will begin making examples of the people who spoke against them, and I'm at the top of their list, my wife and I. They made it clear the "mistakes of the past"

Would not be repeated, I.e, leaving me alive to expose them like they did the last time. I am certainly not the only one they will be coming after with false prosecution. Do you want to remove any threat to their power and exposure of their

The civil case was away for me to document what they were doing and get things on the record. RR DOJ/FBI, had wired the attorney client Booth so they could hear everything. Illegal surveillance just like they were doing to everyone else.

James Bredar, the exact same judge in my criminal case, this civil case, and the case against the BGF gang, ruled on all three cases. JUDGE BREDAR acknowledged in my criminal case that illegal surveillance was rampant, and sealed it.

To the civil case some judge some opposing counsel BT

The "intelligence community" has been using Dominion, Scorecard, etc. And companies (fronts) like SCYTL for Years to manipulate ELECTIONS overseas, and to various levels here in the U.S. since at least 2006. ALL Approved through the FISA court.

I wonder if anyone has connected that "Chief" Justice Roberts has been "Approving" this type of Election interference personally since then? But I'm SURE he knew nothing about the election fraud using these "Exact Same
