Well, didn't take them long 😏

Mutated from May 👍

John
@Johnheretohelp

After the "miracle", i.e. expensive, Vaccine is pushed on everyone, and the instances of Covid 19 drop. (Because they have been inflating numbers not because the vaccine is worth a crap. Easy to claim a drop by adjusting numbers) When do we hear Covid 19 "mutated" and it's back?

Bill gates stating Covid will be yearly now. Gee, didn't see that coming

John @Johnheretohelp
Replying to @Johnheretohelp
And of course plans are already being drafted for the "yearly Covid outbreak" we've already heard about

Andrew Chen @andrewchen · Dec 27

12/ One of the best things out of @ericries's Lean Startup is the concept of "vanity metrics" - unimportant, inflated metrics that don't have much to do with business value. But the effects of using them are different when you're a startup versus a big co.

Andrew Chen @andrewchen · Dec 27

13/ For big, established companies, focusing on vanity metrics is silly but not harmful. Everyone's thrown up a huge number to celebrate for an offsite. I get it. But for startups who are pre-product/market fit, it can lead down a path towards

countries overseas. I notice that the "covid money" Going overseas is "NOT FOR ANYTHING

COVID RELATED" 🤔🤔 For many years politicians have been handing out our tax dollars. Given to institutions for "endowment building", disguised as programs. Of course they get a percentage.

The Noose around the neck of Lady Liberty is tightening. We are down to it now. President Trump is beset on all sides by enemies, even those closest to him urging he "concede". Walk away and fight another day. All while Biden laughs, believing his "stolen victory" is inevitable.

This is "Our Test". Make no mistake, we are being tested. It may not have come the way we envisioned. Holding out, rifle in hand, steeling yourself for one final push. No, that is a test that America was built on. And because They had gone

I'm not a lawyer, I'm sure someone with a better "legal mind" than me could dig on this. An untested, un-trialed, rush development, "vaccine", that is already having very negative side effects on the people who have received it. Was "administered" to Pelosi and Pence.

Number two and three in the "continuity of government" plan after President Trump. They are strict laws governing "continuity of government" and only certain times that one and two or one two and three can be in the same place at the

More and more "politicians" will line up for their public vaccination 🤔 It's all theater, they aren't getting the vaccine. This is all a public prelude to Forcing the vaccine on people, and implementation of the required VACC card. 🙏

The possibilities of using covid to manipulate the country, and the world, was discussed months ago, see my thread attached. They were rabid with the possibilities. Calling covid vaccination a "human right" Allowed them to discuss
