"Disguised as Maga Supporters"

Unroll available on Thread Reader

John
@Johnheretohelp

Replying to @Johnheretohelp

Rally's disguised as maga supporters and spreading Covid. They hope to paint President Trump as "reckless", decrease his support, instill fear in voting/ supporting in person, blame the President and his supporters personally for the "second outbreak", kill maga supporters,

Now they are using this technique and flat out murdering people. In terrorism, fear is the weapon, control is the goal.

"random walk up shootings"

Unroll available on Thread Reader

 **John**
@Johnheretohelp

Replying to @Johnheretohelp

Riots and destruction for months. Murders and arson. Poison has been sent and bombs and random "walk up" shootings are next.
At this point Anything you need to do to stay alive is Self Defense.
I'm sorry to say, with everything they have planned/begun, this is only the beginning

5:45 PM · Sep 20, 2020

Bom-bings have been discussed starting election day.

bLM wants to distance themselves from pantifa. bLM wants to be a legitimate "political party" and takeover"seats". So violent pantifa actions will escalate to draw the distinction between the two groups.

pantifa being called A.I., American Isis, and they are "short term" designed to burn out, be used up, in the months after the election.

Andrew Chen @andrewchen · Dec 27

12/ One of the best things out of @ericries's Lean Startup is the concept of "vanity metrics" - unimportant, inflated metrics that don't have much to do with business value. But the effects of using them are different when you're a startup versus a big co.

Andrew Chen @andrewchen · Dec 27

13/ For big, established companies, focusing on vanity metrics is silly but not harmful. Everyone's thrown up a huge number to celebrate for an offsite. I get it. But for startups who are pre-product/market fit, it can lead down a path towards

I don't know Mr. Ulbricht, I don't know if he should have a full pardon, but I do know that he should have a very serious review of his entire case with at least a commutation of sentence. Mr. Ulbricht's case was irretrievably damaged beyond any point where it could be

Prosecuted legitimately by the involvement of Shaun wesley Bridges, Carl Mark Force, and the do-j's "dirty trick Squad". Bridges had been using the silk road to launder illegally seized and obtained money for a long time prior to Mr

I was informed today by people within the d-o/j framework, that once they are in control again, in one week, that they will begin making examples of the people who spoke against them, and I'm at the top of their list, my wife and I. They made it clear the "mistakes of the past"

Would not be repeated, I.e, leaving me alive to expose them like they did the last time. I am certainly not the only one they will be coming after with false prosecution. Do you want to remove any threat to their power and exposure of their

The civil case was away for me to document what they were doing and get things on the record. RR DOJ/FBI, had wired the attorney client Booth so they could hear everything. Illegal surveillance just like they were doing to everyone else.

James Bredar, the exact same judge in my criminal case, this civil case, and the case against the BGF gang, ruled on all three cases. JUDGE BREDAR acknowledged in my criminal case that illegal surveillance was rampant, and sealed it.

To the civil case some judge some approving council BT

The "intelligence community" has been using Dominion, Scorecard, etc. And companies (fronts) like SCYTL for Years to manipulate ELECTIONS overseas, and to various levels here in the U.S. since at least 2006. ALL Approved through the FISA court.

I wonder if anyone has connected that "Chief" Justice Roberts has been "Approving" this type of Election interference personally since then? But I'm SURE he knew nothing about the election fraud using these "Exact Same
