Maryland, New Jersey, and other states, are drastically altering their educational model for the upcoming school year and on.

They not only want in-person heavily controlled School.

They want online "educational packages".

They want their cake and eat it too. They not only want to keep their salaries, their Union, and their perks, now they want to farm out the education itself to third parties. So they can make more money for even less work.

They want to be the managers in the middle decreeing what is appropriate and what isn't for education without teaching anything themselves.

They want whatever voucher you may receive for homeschooling and there will be additional fees for supplies and

downloads of software,apps, and required/recommended reading books There are already deals being discussed with publishers for required downloads of certain books/apps and the profit they will make from those "requirements".

They are salivating at the profit potential of newly-developed apps.

They are discussing a "global component to your child's education so that they may learn and reflect the best qualities of cultures from around the world"

Unquote

And we all know that this means, when you send your child to school whether it is the physical school or the living room, a radical/perv halfway around the world will be "educating" your children.

They also want control of homeschooling. You will not be permitted to homeschool your child unless you participate in their approved online program and your child ,and possibly yourself, are vaccinated properly.

Issuance of approved State diplomas/college entrance will be denied if you do not participate in these approved programs.

The online education will be farmed out to those holding approved online teaching certificates from them. They know there is a large push for homeschooling now and they want to control it. They also want to control what you teach your own child.

Everyday there is more and more on the line with this election. This isn't just an election if they are permitted to get their claws into the country they will rip it apart and they will never give up power again.

We have all seen the riots on TV. The uneducated unthinking drones that know only, me me me, and violence. The people planning these "educational" programs actually discuss the riots on TV and how in just a few years time those riots could be multiplied by thousands

IF they could just "properly educate" children now without parental interference or outside control. They want to build an army using your children as fodder.

I guess they can't "properly educate" YOUR children if you're watching 🙏

Here's one who wants to "properly educate" your children. 😏

This is Kathy Hoffman, the Democratic Superintendent of Arizona public education. "She" hates the Bible so much that she swore her oath on a Dr. Seuss book. She is pushing sex education on kindergartners that includes teaching them masturbation and sexual positions.

I don't know Mr. Ulbricht, I don't know if he should have a full pardon, but I do know that he should have a very serious review of his entire case with at least a commutation of sentence. Mr. Ulbricht's case was irretrievably damaged beyond any point where it could be

Prosecuted legitimately by the involvement of Shaun wesley Bridges, Carl Mark Force, and the do-j's "dirty trick Squad". Bridges had been using the silk road to launder illegally seized and obtained money for a long time prior to Mr

I was informed today by people within the d-o/j framework, that once they are in control again, in one week, that they will begin making examples of the people who spoke against them, and I'm at the top of their list, my wife and I. They made it clear the "mistakes of the past"

Would not be repeated, I.e, leaving me alive to expose them like they did the last time. I am certainly not the only one they will be coming after with false prosecution. Do you want to remove any threat to their power and exposure of their

The civil case was away for me to document what they were doing and get things on the record. RR DOJ/FBI, had wired the attorney client Booth so they could hear everything. Illegal surveillance just like they were doing to everyone else.

James Bredar, the exact same judge in my criminal case, this civil case, and the case against the BGF gang, ruled on all three cases. JUDGE BREDAR acknowledged in my criminal case that illegal surveillance was rampant, and sealed it.

In the civil case some judge some opposing council BT

The "intelligence community" has been using Dominion, Scorecard, etc. And companies (fronts) like SCYTL for Years to manipulate ELECTIONS overseas, and to various levels here in the U.S. since at least 2006. ALL Approved through the FISA court.

I wonder if anyone has connected that "Chief" Justice Roberts has been "Approving" this type of Election interference personally since then? But I'm SURE he knew nothing about the election fraud using these "Exact Same
