Igor Danchenko, now that the "big reveal" has happened, let's recap what was going on briefly.

Robert Mueller has known and been in contact with Danchenko since well before any of this began.

As I have mentioned the FBI/Mueller involvement with this person [↗](#)

goes back to the FBI operation called ghost stories.

Ghost Stories: Russian Foreign Intelligence Service (SVR) Illegals

On June 27, 2010, the FBI arrested 10 illegal agents of the Russian Foreign Intelligence Service, or SVR. This long-running foreign counterintelligence investigation was code-named Ghost Stories within the FBI. On October 19, 2011, Attorney General Eric Holder recognized the Ghost Stories team for its "exceptionally creative and tenacious multi-year investigation." This release of Ghost Stories material includes documents, photos, and videos related to the activities and arrest of the SVR illegals.

The FBI has been illegally spying for years. The DOJ joined in. Then in 2009 Obama turned that illegal spying against his enemies. Used it to "guarantee" a Hillary win, and turned this pre existing illegal apparatus against Pres. Trump before he even announced his candidacy.

Obama/Hillary, and Eric Holder, shut down ghost stories ,as it was, during their "Russian reset". But Mueller/RR and the FBI continued a much more friendly relationship with the Russian Intel people. Trading information, accepting money, and working against the United States

for their own interests.

It wouldn't surprise anyone to know that the "Mueller investigation" was part of the coup against President Trump. Just like it doesn't surprise anyone that the Mueller investigation affected the 2018 election and gave Dems control of the house,

by design. A coup that continues to this day. But!

Would it surprise anyone to know that before, DURING, and After the so-called Mueller investigation that Robert Mueller was in continuous contact with Danchenko?

Let's see, they didn't exactly pick up a cell phone, so how did that happen?

It's not exactly like I haven't discussed Danchenko and his connections to RR and others in the past.

Mueller↓

RR

Elizabeth Prelogar

"Nik" short for "Istochnik"

Igor Danchenko↑

"Istochnik" is Russian for source, not short for Nicholas 👍

Elizabeth Prelogar, has quite the interesting history. Always fascinated with Russia, turned completely in St Petersburg by her lover who "read her poetry with such conviction and passion". Quite the list of people she clerked for. She has a severe hatred of Trump.

She was actually the one who started and stoked the BS story about Trump walking into the dressing room at the beauty pageant. Ms. Prelogar has a strange history with Justice Kavanaugh as well. A very fertile place to dig. Not to mention extremely damaging to Mueller & Company.

I believe you may have seen her on the steps as one of RBG's past law clerks. She hates Lisa Page and vice versa. And of course she was an integral member of Mueller's investigative team 😏

Some of the most compromised participants in the sham Mueller investigation coup have run to the safety and anonymity of Private practice. Waiting for Dems to take control again. But that doesn't mean they have stopped participating in the coup.

They are being hidden and protected by the more public faces. Because they are the weak link in the chain that can expose all of them.

The coup, treason and sedition, could not have happened or continue without the DOJ FBI. We are praying that General Flynn will be free and exonerated next week, as he rightfully should be. And that the Justice he finally receives will trickle down to myself and others. 🙏🙏🙏

I don't know Mr. Ulbricht, I don't know if he should have a full pardon, but I do know that he should have a very serious review of his entire case with at least a commutation of sentence. Mr. Ulbricht's case was irretrievably damaged beyond any point where it could be

Prosecuted legitimately by the involvement of Shaun wesley Bridges, Carl Mark Force, and the do-j's "dirty trick Squad". Bridges had been using the silk road to launder illegally seized and obtained money for a long time prior to Mr

I was informed today by people within the d-o/j framework, that once they are in control again, in one week, that they will begin making examples of the people who spoke against them, and I'm at the top of their list, my wife and I. They made it clear the "mistakes of the past"

Would not be repeated, I.e, leaving me alive to expose them like they did the last time. I am certainly not the only one they will be coming after with false prosecution. Do you want to remove any threat to their power and exposure of their

The civil case was away for me to document what they were doing and get things on the record. RR DOJ/FBI, had wired the attorney client Booth so they could hear everything. Illegal surveillance just like they were doing to everyone else.

James Bredar, the exact same judge in my criminal case, this civil case, and the case against the BGF gang, ruled on all three cases. JUDGE BREDAR acknowledged in my criminal case that illegal surveillance was rampant, and sealed it.

To the civil case some judge some approving council BT

The "intelligence community" has been using Dominion, Scorecard, etc. And companies (fronts) like SCYTL for Years to manipulate ELECTIONS overseas, and to various levels here in the U.S. since at least 2006. ALL Approved through the FISA court.

I wonder if anyone has connected that "Chief" Justice Roberts has been "Approving" this type of Election interference personally since then? But I'm SURE he knew nothing about the election fraud using these "Exact Same
