I don't know Mr. Ulbricht, I don't know if he should have a full pardon, but I do know that he should have a very serious review of his entire case with at least a commutation of sentence.

Mr. Ulbricht's case was irretrievably damaged beyond any point where it could be

Prosecuted legitimately by the involvement of Shaun wesley Bridges, Carl Mark Force, and the do-j's "dirty trick Squad".

Bridges had been using the silk road to launder illegally seized and obtained money for a long time prior to Mr Ulbricht's arrest.

The silk road site was used not only to launder money but the spy on and compromise people. Bridges/Force idiotic plot to assassinate Mr Ulbricht, fake whole thing, was not their idea alone. RR was behind the plan. That's why so many people ask "how could they possibly

Think they would get away with it?" Because RR was behind it as well. Look at the time. Same thing 2015-2016, same time that RR was shutting down the dirty trick Squad because of the election. This was in part where Bridges was laundering the Russian money.

It needed to gain control of the entire silk road website through the manipulation of Mr. Ulbricht two once again cover their crimes and their involvement in treason and sedition. Bridges couldn't help himself, Force as well, and they didn't just shut it down

They stole hundreds of thousands of dollars for themselves that's why they are sitting in prison right now. I can provide the information for Mr Ulbricht, or his attorneys, if they would like 👍👏

****Public Proclamation**** Matt Couch, You Will, as of right now "cease and desist" any and all public or private attacks on my person or integrity. Any further attacks and I will meet you in court.

Threats? I didn't threaten anyone, I merely gave notice. Threats are what you were facing for sticking your nose where it didn't belong. Threats that I stopped at great risk to myself and my family, your welcome, even though you never said thank you.

I was informed today by people within the d-o/j framework, that once they are in control again, in one week, that they will begin making examples of the people who spoke against them, and I'm at the top of their list, my wife and I. They made it clear the "mistakes of the past"

Would not be repeated, I.e, leaving me alive to expose them like they did the last time. I am certainly not the only one they will be coming after with false prosecution. Do you want to remove any threat to their power and exposure of their

The civil case was away for me to document what they were doing and get things on the record. RR DOJ/FBI, had wired the attorney client Booth so they could hear everything. Illegal surveillance just like they were doing to everyone else.

James Bredar, the exact same judge in my criminal case, this civil case, and the case against the BGF gang, ruled on all three cases. JUDGE BREDAR acknowledged in my criminal case that illegal surveillance was rampant, and sealed it.

In the civil case some judge some opposing council DT

The "intelligence community" has been using Dominion, Scorecard, etc. And companies (fronts) like SCYTL for Years to manipulate ELECTIONS overseas, and to various levels here in the U.S. since at least 2006. ALL Approved through the FISA court.

I wonder if anyone has connected that "Chief" Justice Roberts has been "Approving" this type of Election interference personally since then? But I'm SURE he knew nothing about the election fraud using these "Exact Same
