PLEASE!! PLEASE!! PLEASE!!

Exercise All Caution when discussing enacting "martial law".

Not many, not enough, listened or understood what I wrote about in April through July of the deep State plans.

The DS/Dems are actively pushing to get martial law. They want it!!!

At this point it's the only way they will stay out of prison. This is the reason they are being so open so brazen about the fraud and crimes they are committing.

They are calling in all Favors. No one can hide anymore period you are either with them or against them,

And they are activating everyone they control and it's obvious.

They are caught! They no longer care about the election, they know it's a lost cause. They are pushing and pushing to get martial law.

Once martial law is enacted they can close down their states and they will invite foreign military occupiers into their sovereign states.

They have discussed this ad nauseam. Their plans have failed

Over and over. Russia, impeachment, election fraud, now this is their failsafe.

Please exercise all caution they are anticipating it if it becomes necessary it can be done but they must be cut off first 🙏🙏🙏🙏🙏

"Martial Law"
The DS/Dems are Deliberately making their fraud Obvious. It was part of their plan all along to get President Trump to enact martial law.

John @Johnheretohelp
Replying to @Johnheretohelp
They anticipate a reaction, they welcome the violence. They want President Trump to enact martial law, they will then say the fraudulent president has taken the White House hostage and is holding our country hostage.

Andrew Chen @andrewchen · Dec 27
12/ One of the best things out of @ericries's Lean Startup is the concept of "vanity metrics" - unimportant, inflated metrics that don't have much to do with business value. But the effects of using them are different when you're a startup versus a big co.

Andrew Chen @andrewchen · Dec 27
13/ For big, established companies, focusing on vanity metrics is silly but not harmful. Everyone's thrown up a huge number to celebrate for an offsite. I get it. But for startups who are pre-product/market fit, it can lead down a path towards

****Public Proclamation**** Matt Couch, You Will, as of right now "cease and desist" any and all public or private attacks on my person or integrity. Any further attacks and I will meet you in court.

Threats? I didn't threaten anyone, I merely gave notice. Threats are what you were facing for sticking your nose where it didn't belong. Threats that I stopped at great risk to myself and my family, your welcome, even though you never

I don't know Mr. Ulbricht, I don't know if he should have a full pardon, but I do know that he should have a very serious review of his entire case with at least a commutation of sentence. Mr. Ulbricht's case was irretrievably damaged beyond any point where it could be

Prosecuted legitimately by the involvement of Shaun wesley Bridges, Carl Mark Force, and the do-j's "dirty trick Squad". Bridges had been using the silk road to launder illegally

I was informed today by people within the d-o/j framework, that once they are in control again, in one week, that they will begin making examples of the people who spoke against them, and I'm at the top of their list, my wife and I. They made it clear the "mistakes of the past"

Would not be repeated, I.e, leaving me alive to expose them like they did the last time. I am certainly not the only one they will be coming after with false prosecution. Do you want to remove any threat to their power and exposure of their

The civil case was away for me to document what they were doing and get things on the record. RR DOJ/FBI, had wired the attorney client Booth so they could hear everything. Illegal surveillance just like they were doing to everyone else.

James Bredar, the exact same judge in my criminal case, this civil case, and the case against the BGF gang, ruled on all three cases. JUDGE BREDAR acknowledged in my criminal case that illegal surveillance was rampant, and sealed it.

To the civil case some judge some opposing counsel BT

The "intelligence community" has been using Dominion, Scorecard, etc. And companies (fronts) like SCYTL for Years to manipulate ELECTIONS overseas, and to various levels here in the U.S. since at least 2006. ALL Approved through the FISA court.

I wonder if anyone has connected that "Chief" Justice Roberts has been "Approving" this type of Election interference personally since then? But I'm SURE he knew nothing about the election fraud using these "Exact Same
