Let's see if I can get this straight. The President flies around the country meeting thousands of people Non-Stop during the worst of the COVID outbreak. And never contracts Covid. People in his administration have tested positive here and there, but again, The President is fine 🙏🔗

And now, just one day AFTER being in the same room with Joe Biden. Biden, who was definitely wearing some type of "equipment", The President, First Lady, and Ms. Hicks ALL come down with COVID at the same time? Even though we know The President has HCQ?

What type of "equipment" was Biden wearing? Thought to be communication/teleprompter, was it a "Dispersal Unit?"

Fogging the air with Covid?

This was their plan before.

and ultimately they are hoping to infect the President and keep the country locked down. Now that the "medical midget fauci" has downplayed masks, shutdowns, and the second wave. you know their goals have shifted.

What I.V.'s was Biden taking prior to this debate? The bruises were clearly evident prior. Was this preventative for what they planned for debate night?

Has anyone else present at the debate contracted covid-19?

Were the members of the press who were present given HCQ beforehand?

And before the diagnosis is known, before the President even announces it, you have members of the media "spotting symptoms" and "making diagnoses?"

Something stinks bad! We know Biden is not a viable candidate, so do they . Did they use Biden as a trojan horse to bring the virus directly to the President? Now that that job is done is this why they're calling off all other debates?

Something really really stinks here.

I don't believe the object is to "remove👏" the President. COVID isn't that deadly, and the President has outstanding medical care. I believe it's to keep the COVID narrative going, make that vaccine money, after all, the President took HCQ and still got Covid 😏.

And they will use this to further push for mail in ballots.

I don't know Mr. Ulbricht, I don't know if he should have a full pardon, but I do know that he should have a very serious review of his entire case with at least a commutation of sentence. Mr. Ulbricht's case was irretrievably damaged beyond any point where it could be

I was informed today by people within the d-o/j framework, that once they are in control again, in one week, that they will begin making examples of the people who spoke against them, and I'm at the top of their list, my wife and I. They made it clear the "mistakes of the past"

Would not be repeated, I.e, leaving me alive to expose them like they did the last time. I am certainly not the only one they will be coming after with false prosecution. Do you want to remove any threat to their power and exposure of their

The civil case was away for me to document what they were doing and get things on the record. RR DOJ/FBI, had wired the attorney client Booth so they could hear everything. Illegal surveillance just like they were doing to everyone else.

James Bredar, the exact same judge in my criminal case, this civil case, and the case against the BGF gang, ruled on all three cases. JUDGE BREDAR acknowledged in my criminal case that illegal surveillance was rampant, and sealed it.

In the civil case some judge some opposing council DI

I wonder if anyone has connected that "Chief" Justice Roberts has been "Approving" this type of Election interference personally since then? But I'm SURE he knew nothing about the election fraud using these "Exact Same
