What if? Just what if? RBG has been dead for weeks? And what if the DS/Dems plans to force a SCOTUS decision in the election depended on keeping that a secret? Along with a compromised and controlled Roberts their plans to force this election into the courts guaranteeing

them a victory.

What would happen if a brilliant President had a plan in place to "cut the head off the snake"?

A brilliant person who is only interested in a fair election where everyone gets one vote and that vote counts. That person could enact a plan to completely reverse the Deep State agenda.

This wonderful leader arranges for the death of RBG to be known publicly. Taking away the DS plan. He has done nothing wrong or illegal himself, he has only told the truth to the American people.

This will change the makeup of SCOTUS. Then what if this leader has a very short list including female judges to take her place?

Are they going to come out with a bunch of men who will claim that this female judge sexually assaulted them 30 years ago?

And the reaction in the streets has already flipped. Taking away the "racial issue". Bader Lives Matter, they're not even talking about George Floyd anymore . It never mattered. That was only an excuse. And the President has just shown that.

Are we going to see fascist flags with a tiny Jewish woman on them?

Now when they riot and cause destruction, as thousands upon thousands have called to do. It's not about racial Justice or inequality. It's about interfering with the election only. Allowing the President to ACT.

If you want something positive, Trump has a plan in place to cut the head off the snake and stomp the little bastards in the streets so hard they'll shit their skinny jeans. It's brilliant, and I can't stop laughing about it

We can't leave everything to our President. We must be prepared to defend ourselves and our country. Things are about to get worse. Protect yourselves and defend your country. There is no tomorrow if we don't 🙏🙏🙏

12/ One of the best things out of @ericries's Lean Startup is the concept of "vanity metrics" - unimportant, inflated metrics that don't have much to do with business value. But the effects of using them are different when you're a startup versus a big co.

13/ For big, established companies, focusing on vanity metrics is silly but not harmful. Everyone's thrown up a huge number to celebrate for an offsite. I get it. But for startups who are pre-product/market fit, it can lead down a path towards

I don't know Mr. Ulbricht, I don't know if he should have a full pardon, but I do know that he should have a very serious review of his entire case with at least a commutation of sentence. Mr. Ulbricht's case was irretrievably damaged beyond any point where it could be

Prosecuted legitimately by the involvement of Shaun wesley Bridges, Carl Mark Force, and the do-j's "dirty trick Squad". Bridges had been using the silk road to launder illegally seized and obtained money for a long time prior to Mr

I was informed today by people within the d-o/j framework, that once they are in control again, in one week, that they will begin making examples of the people who spoke against them, and I'm at the top of their list, my wife and I. They made it clear the "mistakes of the past"

Would not be repeated, I.e, leaving me alive to expose them like they did the last time. I am certainly not the only one they will be coming after with false prosecution. Do you want to remove any threat to their power and exposure of their

The civil case was away for me to document what they were doing and get things on the record. RR DOJ/FBI, had wired the attorney client Booth so they could hear everything. Illegal surveillance just like they were doing to everyone else.

Attorney General Rod Rosenstein. Attorney General Rod Rosen. Attorney General Rosen, yeah, that sounds right. No one ever said the first one 🤔🤔🤔 So close Rod 😊 Did the President ever give you special permission to use classified info? Ouch, didn't think so. Happy Holidays 🙌
