RR, a great friend of Dianne Feinstein and Joe Biden. RR who is great friends with Elijah Cummings, "judge Sullivan", Catherine Pugh. RR who is compromised by Russia/Chin-A, has been running interference for the Bidens for years, especially since he was the ONLY

U.S. attorney to keep his position under the Obama/Biden admin.

RR, was still in his position as DAG when the FBI originally received Hunter Biden's laptop. He began running interference and has done so ever since.

And now RR is pressuring myself and others in the Sheryl Atkisson case, to keep our mouth shut.

It's all coming out Roddy

From all angles buddy

There is evidence that the "Swine Flu" outbreak in 2009 was in fact an attack by China. Allowed, encouraged, aided and Planned, by the Obama/Biden administration. Not only did the Swine Flu cost Thousands of lives but it Severely Depleted the emergency stockpiles

of N95 masks and respirators. And the Obama/Biden administration Never replenished them, leaving the U.S. UN-prepared for another outbreak. Enter COVID 19, round two, also Chinese in origin. Designed to be released during

Dear FB-I, (👊👊👊) You are Not "law enforcement", you are the "political police" of the DS/Dem political party. The Gestapo of modern times. You only investigate to advance your agenda. You sell and trade the "fruits" of those "investigations" to enrich yourselves

and those that control you. You delay and destroy any information that goes against your own goals, facts mean nothing to you, Justice is not in your vocabulary.

You've had the "Hunter" laptop for months sitting on it

Delaware has a serious Child Trafficking problem. Human trafficking has been a federal crime since the passage of the Trafficking Victims Protection Act of 2000, but Delaware legislation wasn't passed until 2014. 14 YEARS later! I wonder who delayed that?

There is a corrupt Network within Delaware that protects child trafficking and the people involved. It's why people like "dr Bradley" can molest over a thousand children and be protected for years.

The TV thing is an old case I worked on that went to court in 2015/16. "The FB-I Declassified". Zed Mclarnon case. FF based. Depends on which version they air. Apparently there are three different versions. One has interviews and undercover footage of myself. One has,

footage but doesn't show my face and my voice is altered. And one version only mentions me as a deep cover operative. This was a case in Massachusetts that had ties to the false flag Boston bomber and FB-I. Times to Obama, Lisa Monaco,

Why is the Biden laptop back in the hands of the FB-I? Who've had it for a year+ and already stated they believe it's "russian disinfo". The USSS has the TOP systems to investigate child abuse/trafficking, often used by the FB-I

involves a "Presidential candidate" and their family, you would think the Secret Service could at least do a parallel investigation. 🤔🤔🤔

Im sure the FBI will SCRYB any connection on that laptop

We wanted to confirm if perverts were able to hack into different video classes that schools were requiring students to participate in. They are, and not just that.

He was able to get into various school systems across the
