There is evidence that the "Swine Flu" outbreak in 2009 was in fact an attack by China. Allowed, encouraged, aided and Planned, by the Obama/Biden administration. Not only did the Swine Flu cost Thousands of lives but it Severely Depleted the emergency stockpiles [↗](#)

of N95 masks and respirators. And the Obama/Biden administration Never replenished them, leaving the U.S. UN-prepared for another outbreak.

Enter COVID 19, round two, also Chinese in origin. Designed to be released during Hillary's second term.

Was the pathetic Obama/Biden response to Swine Flu deliberate? Done at China's bidding by their bought and paid for Politicians?

What did Joe, and Many others, get all that Money for?

Around 2001/02, China actually declared war on the U.S. , "Million Ways".

They have been infiltrating for years before that but with Bush Jr's help they actually started their takeover.

It's not just tech, universities, medical, political. They have infiltrated businesses

law firms, court rooms. They buy, with Biden's, and others help, businesses that benefit them. They sell products "made in China". BUT so do their competitors, HOWEVER they deliberately sell Inferior made in China products to those businesses they consider competition.

Their competition loses business, goes out of business, China wins either way. These tactics are known, and it's worse than that. They do this with everything, food, medicine, clothing, everything.

All with the happy approval and profiteering by corrupt parties like the Bidens. The Biden's aren't the only ones. Businesses "in the know" know that to succeed, and avoid being crushed out of business, you partner with china or else.

We are being poisoned by additives deliberately introduced into our foods, medicines, even clothing, to weaken us and make them rich. It's subtle, long term, and ver Chinese. The "plandemics" are the obvious side of this "War by Million Ways".

I don't know Mr. Ulbricht, I don't know if he should have a full pardon, but I do know that he should have a very serious review of his entire case with at least a commutation of sentence. Mr. Ulbricht's case was irretrievably damaged beyond any point where it could be

Prosecuted legitimately by the involvement of Shaun wesley Bridges, Carl Mark Force, and the do-j's "dirty trick Squad". Bridges had been using the silk road to launder illegally seized and obtained money for a long time prior to Mr

I was informed today by people within the d-o/j framework, that once they are in control again, in one week, that they will begin making examples of the people who spoke against them, and I'm at the top of their list, my wife and I. They made it clear the "mistakes of the past"

Would not be repeated, I.e, leaving me alive to expose them like they did the last time. I am certainly not the only one they will be coming after with false prosecution. Do you want to remove any threat to their power and exposure of their

The civil case was away for me to document what they were doing and get things on the record. RR DOJ/FBI, had wired the attorney client Booth so they could hear everything. Illegal surveillance just like they were doing to everyone else.

James Bredar, the exact same judge in my criminal case, this civil case, and the case against the BGF gang, ruled on all three cases. JUDGE BREDAR acknowledged in my criminal case that illegal surveillance was rampant, and sealed it.

In the civil case same judge same opposing council BT

The "intelligence community" has been using Dominion, Scorecard, etc. And companies (fronts) like SCYTL for Years to manipulate ELECTIONS overseas, and to various levels here in the U.S. since at least 2006. ALL Approved through the FISA court.

I wonder if anyone has connected that "Chief" Justice Roberts has been "Approving" this type of Election interference personally since then? But I'm SURE he knew nothing about the election fraud using these "Exact Same
