I just want to make sure we're talking about the same judge John Gleeson 🤔 🤔 🤔

Is this the same John Gleason who implemented "imaginary supervisory powers" for the judiciary, (himself) in the HSBC money laundering case? That were later overturned as inappropriate?

These imaginary supervisory powers of the HSBC money laundering scandal allowed judge Gleeson to help Obama/Holder/Hillary/Lynch cover their money laundering crimes to Libya (Benghazi), Iran, the Mexican drug cartels, Russian interests, and their personal "off shore" accts.

We know there were weapons involved in Benghazi, ever wondered how the money was transferred for them?

In my letter to the President I am detailing the money transfers, as well as very specific information on how those and many other weapons have been transferred.

In the HSBC case dozens of DOJ prosecutors recommended criminal charges for top officials at HSBC but Obama/Holder stopped that . And judge Gleeson maintained everything as a civil case. Better control. Gleeson even took the unbelievable step to monitor the case for five years,

Just to make sure his friends weren't exposed. The same Gleeson who is helping Sullivan, Sullivan who is friends with Obama, Holder, Lynch. 🙄

All of this helped Obama transfer billions of dollars in cash to Iran later. And siphon off their cut of course.

And this is the judge Gleeson who is playing prosecutor in the General Flynn case?

Judge John Gleeson has for years abused his position on the bench to cover the crimes of his friends. He MUST keep General Flynn guilty. Gleeson will do whatever he can to see that General Flynn

is convicted. Anything else would expose the crimes he is complicit in hiding, and profited from. He has once again claimed "bizarre judicial/legal powers" to help convict an innocent man and cover his own ass. 🙏 🙏 🙏

I don't know Mr. Ulbricht, I don't know if he should have a full pardon, but I do know that he should have a very serious review of his entire case with at least a commutation of sentence. Mr. Ulbricht's case was irretrievably damaged beyond any point where it could be

Prosecuted legitimately by the involvement of Shaun wesley Bridges, Carl Mark Force, and the do-j's "dirty trick Squad". Bridges had been using the silk road to launder illegally seized and obtained money for a long time prior to Mr

I was informed today by people within the d-o/j framework, that once they are in control again, in one week, that they will begin making examples of the people who spoke against them, and I'm at the top of their list, my wife and I. They made it clear the "mistakes of the past"

Would not be repeated, I.e, leaving me alive to expose them like they did the last time. I am certainly not the only one they will be coming after with false prosecution. Do you want to remove any threat to their power and exposure of their

The civil case was away for me to document what they were doing and get things on the record. RR DOJ/FBI, had wired the attorney client Booth so they could hear everything. Illegal surveillance just like they were doing to everyone else.

James Bredar, the exact same judge in my criminal case, this civil case, and the case against the BGF gang, ruled on all three cases. JUDGE BREDAR acknowledged in my criminal case that illegal surveillance was rampant, and sealed it.

In the civil case some judge some opposing council BT

The "intelligence community" has been using Dominion, Scorecard, etc. And companies (fronts) like SCYTL for Years to manipulate ELECTIONS overseas, and to various levels here in the U.S. since at least 2006. ALL Approved through the FISA court.

I wonder if anyone has connected that "Chief" Justice Roberts has been "Approving" this type of Election interference personally since then? But I'm SURE he knew nothing about the election fraud using these "Exact Same
