The Noose around the neck of Lady Liberty is tightening. We are down to it now. President Trump is beset on all sides by enemies, even those closest to him urging he "concede". Walk away and fight another day. All while Biden laughs, believing his "stolen victory" is inevitable.

This is "Our Test". Make no mistake, we are being tested. It may not have come the way we envisioned. Holding out, rifle in hand, steeling yourself for one final push. No, that is a test that America was built on. And because They had gone before, We won't be tested in that way.

Our test, like Theirs, will be a test of Our Faith, our mental and physical strength. Possibly running out of toilet paper, not being able to pay the cable bill, wearing a mask to fly under the radar, these are not tests. Preserving your Faith, allowing your Spirit to shine

When We are surrounded by nothing but darkness. Finding work, feeding your family, taking care of others who can't care for themselves, staying healthy and sane, shutting out the endless garbage we are being bombarded with in the media.

These are Our Tests. 🙏

Our tests won't come in the form of one big final push. It will be a day to day, week by week, grind of survival. Designed to wear us down make us surrender. Supported by those who want to crush us.

Please support President Trump, General Flynn, Sydney Powell, and those closest to them, that they rely on, to make the right decisions and fight for us 🙏

This is Our Test, no one else's. This is Our Time. History is watching and the Future of The United States is waiting. 🙏🙏🙏

****Public Proclamation**** Matt Couch, You Will, as of right now "cease and desist" any and all public or private attacks on my person or integrity. Any further attacks and I will meet you in court.

Threats? I didn't threaten anyone, I merely gave notice. Threats are what you were facing for sticking your nose where it didn't belong. Threats that I stopped at great risk to myself and my family, your welcome, even though you never said thank you.

I don't know Mr. Ulbricht, I don't know if he should have a full pardon, but I do know that he should have a very serious review of his entire case with at least a commutation of sentence. Mr. Ulbricht's case was irretrievably damaged beyond any point where it could be

Prosecuted legitimately by the involvement of Shaun wesley Bridges, Carl Mark Force, and the do-j's "dirty trick Squad". Bridges had been using the silk road to launder illegally seized and obtained money for a long time prior to Mr

I was informed today by people within the d-o/j framework, that once they are in control again, in one week, that they will begin making examples of the people who spoke against them, and I'm at the top of their list, my wife and I. They made it clear the "mistakes of the past"

Would not be repeated, I.e, leaving me alive to expose them like they did the last time. I am certainly not the only one they will be coming after with false prosecution. Do you want to remove any threat to their power and exposure of their

The civil case was away for me to document what they were doing and get things on the record. RR DOJ/FBI, had wired the attorney client Booth so they could hear everything. Illegal surveillance just like they were doing to everyone else.

James Bredar, the exact same judge in my criminal case, this civil case, and the case against the BGF gang, ruled on all three cases. JUDGE BREDAR acknowledged in my criminal case that illegal surveillance was rampant, and sealed it.

I wonder if anyone has connected that "Chief" Justice Roberts has been "Approving" this type of Election interference personally since then? But I'm SURE he knew nothing about the election fraud using these "Exact Same
